PUBLIC SALE OF MASON COUNTY FARM

As Executor of Phoebe Marshall, deceased, I will, on

SATURDAY, SEPTEMBER 2, 1916, at 2 p. m., on the premises sell at public auction, the farm owned by her on which she resided at her death, containing about 176 acres, lying just north of the town of Washington, and within 200 yards of Maysville and Lexington Turnpike road, which runs through said town, and within half a mile of the new Washington High School building. Said farm is located in the best part of Mason County, and is in a fine state of cultivation. It is well watered, has on it one and one-half story brick dwelling house, containing six rooms and kitchen, one tenant house, stable, carriage house, silo, and two large tobacco barns, one of which is also a stock barn. It adjoins lands of George Longnecker, Larkin Brothers, A. L. Glasecock, Clarence Tucker, Mrs. Mattie McCann and Mrs. Pearl Marshall. Full possession of the farm will be given to the purchaser on March 1, 1917, but possession of the dwelling house, with privilege of seedling during the coming fall, will be given at once on completion of the sale.

The farm will be sold on a credit of six and twelve months, the purchaser to execute notes with good personal security, bearing six per cent. interest from the day of sale, each for one-half the purchase money, with privilege, however, of paying the whole purchase price in cash at any time before same falls due, with interest up to the date of payment.

This sale is made pursuant to the directions contained in the will of Phoebe Marshall, deceased.

E. L. WORTHINGTON, Executor of Phoebe Marshall, Deceased. H. C. HAWKINS, Auctioneer.

"FIGHTING FIRST" OFF FOR MEXICAN BORDER—DIRECT ROUTE MAY LET LOUISVILLE REACH NEW CAMP FIRST

Fort Thomas, Ky., August 31—The last unit of the Kentucky brigade to entertain for the border, the First Regiment of Louisville, hiked to Newport tonight, and climbed into tourist cars that will carry them to Tabin, Texas, for training and border patrol. Nine weeks and one day have elapsed since this unit first pitched its tents at Ft. Thomas in the belief that it would entrain for the border in something less than two weeks time.

The actual entraining followed a hike of five miles, which left the men in a fit condition to climb into their bunks and get some good sound sleep at the beginning of their journey. Little interest was displayed in the information that the train was to touch Louisville, when it was learned that the route would take the men through South Louisville without touching the central portion at all, and without coming in the neighborhood of either the Tenth Street station or the Fourth Avenue crossing.

Pursuant to an order received here at noon, students who were awaiting discharges to return to school or college, were ordered to entertain and told that no more discharges would be issued on this score. Simultaneously it was announced that applications for discharge under the dependent relations clause which were filed later than August 30 would not be considered.

There is considerable probability that the First will reach the border in advance of the two units which preceded it in entraining, due to the route selected at which is understood to take a direct shoot for the border after leaving Memphis, while the routes taken by the other units will be more circuitous.

FACTORYS UNITE TO GREET "T. R." BULL MOOSE AND G. O. P.'S JOIN IN WELCOMING FORMER PRESIDENT

Lewiston, Me., August 31—Progressive united with Republicans in greeting Theodore Roosevelt, who delivered here tonight his first speech of the campaign in behalf of Charles E. Hughes, Republican candidate for the presidency. A large delegation of Republicans and Progressives met him in Portland and escorted him here, where he reviewed an old-fashioned torchlight procession, in which many former Progressive leaders marched.

JUSTICE HUGHES ENDS HIS FOUR DAY REST

Denver, Col., August 31—Charles E. Hughes today ended his four day rest in the mountains on Estes Park and turned east on a 2,000 mile journey that will carry him in seven days to Portland, Maine. Most of this time will be spent in traveling and there will be comparatively few speeches. In the 21 hour ride from here to Kansas City there will be only one formal address at Topeka, Kan.

Mr. Hughes motored 32 miles from Estes Park through rugged mountain scenery to Loveland, Col., where he addressed a large audience at the Larimer County fair.

IT'S SURPRISING

That So Many Maysville People Fail To Recognize Kidney Weakness.

Are you a bad back victim? Suffer twinges; headaches, dizzy spells?

Go to bed tired—get up tired? It's surprising how few suspect the kidneys.

It's surprising how few know what to do.

Kidney trouble needs kidney treatment.

Doan's Kidney Pills are for the kidneys only.

Have convinced Maysville people of their merit.

Here's a Maysville case; Maysville testimony.

Kidney sufferers hereabouts should read it.

Mrs. John Burns, Maysville, says: "I was subject to severe spells of backache and other symptoms of kidney trouble. They came on every three or six months and at times I was confined to bed and almost helpless. Doan's Kidney Pills gave me quick benefit. When I have had slight return attacks of backache, Doan's Kidney Pills have never failed to quickly check the trouble."

OVER SEVEN YEARS LATER, Mrs. Burns said: "The statement I gave before praising Doan's Kidney Pills still holds good."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burns has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

HUGHES' LABOR RECORD

When Mr. Gompers, remembering only that he is a Democrat and forgetting that he is a leader of organized labor, ventured to assert that Mr. Hughes is unfriendly to labor because he concurred in the unanimous decision in the Danbury haters' case, he ventured on very thin ice. The Chicago Tribune promptly reminds him that an honest judge must apply the law as he thinks it is, not as he thinks it ought to be; and asks him to tell those who look to him for political advice something about the record of Mr. Hughes as Governor. Read what the Legislative Labor News, the official organ of the New York Federation of Labor, said editorially when Mr. Hughes left the Governor's chair at Albany for his place on the supreme court. Here it is:

"Now that Gov. Hughes has retired from politics and ascended to a place on the highest judicial tribunal in the world, the fact can be acknowledged without hurting anybody's political corns that he was the greatest friend of labor laws that ever occupied the Governor's chair at Albany. During his two terms he has signed fifty-six labor laws, including among them the best labor laws ever enacted in this or any state."

"He also urged the enactment of labor laws in his messages to the Legislature, even going so far as to place the demand for a labor law in one of his messages to an extra session of the Legislature."

"Only 162 labor laws have been enacted in this state since its erection in 1777—in 133 years. One-third of these, exceeding in quality all of the others, have been enacted and signed during Gov. Hughes' term of three years and nine months."

Let organized labor take to heart what the Chicago Tribune says on this point: "Mr. Hughes is no demagogue and no visionary. He is a man of courage and conscience, and if labor cannot confide its cause to his rock-bottom Americanism there is something wrong with its cause."—Boston Herald.

Recent official statistics place the available water power of Spain at about 5,000,000 horsepower, of which only about 300,000 is being utilized.

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mr. Alry, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it.

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlasting tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

Write to: Chas. H. Mallory, Co., Ladies' Advisory Dept., Guilford, Conn., for special instructions on your case and 6c price for Cardui on trial. No obligation.
